

Special Horses, Inc. is about to launch our next fundraiser...a repeat of the wonderfully successful "Winners!" contest. We would like to highlight how all horses are winners – in what they give to us, as pleasure mounts, broodmares, therapy horses, retired companions – in all the varied ways that they enrich our lives. **We invite you to submit a photo and a 250-word description that details what you feel makes your horse a "winner."** The cost of registering will be \$25 per horse, which also includes a Special Horses "Winners" t-shirt created especially for this event!

It is then up to you to encourage friends and family (at \$5 a vote, payable via PayPal on the site) to vote for your special horse. Participants will have their own page and link to share via email, on Facebook, via Twitter, even in your local news! We will update vote totals nightly and the three horses with the greatest number of votes will win a "Win," "Place," or "Show" prize basket
