GORGEOUS EQUESTRIAN ESTATE

29 TRESTLE TREE LANE, CHESTER, NY 10918

The sense of discovery can be yours upon entering the intriguing train trestle leading to this magnificent horse facility so aptly named "Trestle Tree Farm". Ease of access to major highways, this premier property is located in Chester, Orange County, New York; less than an hour from New York City.

Situated on 34+ private, rolling acres with 3+ miles of fencing, several paddocks and two run-in sheds. The main barn offers a large reception/office with 2 private offices, 18 stalls equipped with auto fly spray system, 70 x 160 indoor arena with a Rainmaker sprinkler system, wash stall, grooming stall, feed room, 2 half baths and hay storage above for 20+ tons of hay. Adjacent to the main barn is a 3-bay machinery shop as well as an outdoor arena. This facility has been very well maintained and is considered to be in excellent condition.

The farm's home is situated on a knoll overlooking the rolling meadows and barn. It is beautifully appointed with a spacious great room with custom kitchen equipped with commercial style appliances, granite counters, breakfast area surrounded in windows and family room with fireplace. Multiple french doors lead to the expansive deck and screened porch area overlooking the in-ground pool with cabana. There are a total of 5 bedrooms, 4½ baths, wine cellar, central air and more.

Offered at \$1,900,000

MORRISVILLE COLLEGE FOUNDATION

Equine Rehabilitation and Physiology Campaign

If your individual or corporate philanthropy prioritizes animal welfare and education, with all humility and gratitude, we invite you to support the Morrisville College Foundation's (MCF) Equine Rehabilitation & Physiology Campaign.

With 280 students caring for more than 400 horses in its racing, breeding, training, english, western, and driving programs, *USA Today* called

the Morrisville State College Equine Institute "the most diverse collegiate equine program in the nation."

By generously including MCF in your charitable giving, you are directly expanding our students' abilities to continue passionately dedicating themselves to extending the health and well-being of your equine partners.

Joint under repair

When the natural "wear and repair" process in your horse's joints is disrupted, only one product offers the complete treatment to restore the balance. FDA-approved Adequan® i.m. (POLYSULFATED GLYCOSAMINOGLYCAN).

To learn more about equine joint function and the treatments for non-infectious degenerative joint disease, order your free copy of a new educational video titled "Balanced joints. Sound horse." Call 800-974-9247 or visit our website at www.adequan.com.

Keep joints in healthy balance.

Adequan®
(POLYSULFATED GLYCOSAMINOGLYCAN)

There are no known contraindications to the use of intramuscular PSGAG in horses. Studies have not been conducted to establish safety in breeding horses. Adequan® i.m. Brand Polysulfated Glycosaminoglycan (PSGAG). Caution: Federal law restricts this drug to use by or on the order of a licensed veterinarian. Each 5mL contains 500 mg Polysulfated glycosaminoglycan. Brief Summary Indications: For the intramuscular treatment of non-infectious degenerative and/or traumatic joint dysfunction and associated lameness of the carpal and hock joints in horses. WARNING: Not for use in horses intended for food. Dosage and Administration: The recommended dose is 500 mg every 4 days for 28 days intramuscularly. LUITPOLD PHARMACEUTICALS, INC. “As a veterinarian I was incredibly impressed with the professionalism and caring displayed by everyone at Markel. When my wonderful partner, Westpoint, was diagnosed with a degenerative ligament disease, the horse insurance people at Markel were exceptional and helped me through a very difficult time.”

“I now have a new equine partner, Cheval, who’s also insured with Markel. My Markel Insurance Specialist was there to make sure everything was in place to insure him and made the process incredibly easy for me. I know we’ll both be in good hands!”

Join the KENTUCKY HORSE PARK team!

The Kentucky Horse Park is a working horse farm/theme park and equine competition facility dedicated to man's relationship with the horse, located in the heart of the Bluegrass region in Lexington, Kentucky. An agency of the Kentucky Commerce Cabinet, the park hosted nearly 900,000 visitors and 15,000 competition horses in more than 100 special events and horse shows in 2005. One of the premiere equestrian facilities in North America, the park has been selected to host the 2010 FEI Games in Kentucky – The World Equestrian Championships. We are seeking experienced individuals to fill these key equine management positions:

EVENT COORDINATOR SUPERVISOR

Responsible for managing competitive equine events that have contracted to have their event at the park, and certain equine events owned by the park. Applicant should have broad knowledge and experience with horses; have experience in managing equine events; understand the special needs and challenges related to the different disciplines of equestrian sport, including competition footing; experience in staff supervision and scheduling; willingness to consider living at the park; and, willingness to work a flexible schedule. **Minimum requirements:** graduate of a college or university with a bachelor's degree and four years of experience in business or administration, of which one year must have been in scheduling and coordinating shows and events. Substitution clause: business or administrative experience will substitute for the required college on a year-for-year basis.

HORSE PARK EQUINE OPERATIONS SECTION SUPERVISOR

Responsible for managing the park's Breeds Barn and for the production of the "Parade of Breeds" show. Applicant should have broad knowledge and experience in the training and handling of different breeds of horses; ability to properly teach and instruct riders and to help them improve their proficiency and ability to entertain the public; knowledge of basic horse health care; and, management experience. **Minimum requirements:** high school graduate and six years of experience dealing with horses, of which two years must be involved in horse farm management. Substitution clause: additional related training or college will substitute for the required general experience on a year-for-year basis, not to exceed four years.

Applicants should also have a willingness to work within a larger organization and have the understanding that as employees of the Kentucky Horse Park, they are employees of the Commonwealth of Kentucky. For these and other Kentucky Horse Park positions, you can obtain and submit an application at www.personnel.ky.gov or Personnel Cabinet, 200 Fair Oaks Lane, Suite 517, Frankfort, KY 40601 (Personnel Cabinet TTY: 502/564-4306). You can also contact the Kentucky Horse Park Personnel Office at 859/259-4235 or Stephanie.Gibson@ky.gov. An Equal Opportunity Employer M/F/D.

Applications should be sent to the Personnel Cabinet by: March 20, 2006

Kentucky Horse Park, 4089 Iron Works Parkway, Lexington, KY 40511

Equi-Mobile™

In the past months, Paul Mayne Enterprises developed and patented the Equi-Mobile, the first mobile equine exerciser. It not only maximizes equine health and fitness but it is portable. It can be towed behind a truck which makes it a great investment for barns that are on the move. It has the same benefits of a regular walker but with the advantage of mobility which other walkers do not have. Please visit www.paulmayne.com or call 1-866-925-1986 for more information about this exciting new product.

THE HEALTH OF YOUR HORSE'S HOOVES...

The results of the external care you give your horse's hooves are easily seen. But the results of nutritional care are often slower to appear. Still, both are vitally important to all horses, regardless of discipline.

... IS IN YOUR HANDS

The key is to make informed decisions, with the help of your farrier and veterinarian. Our products are based on 10 years of systematic research, and 30 years of experience.

POSITION: BARN MANAGER

Top Northern California, privately owned, Hunter/Jumper training facility seeks experienced horse professional/barn manager.

Responsibilities include:

- Help grow and ultimately manage a 30+ stall boarding/training/lay-up facility
- Support the existing horse trainer who will be responsible for training all horses
- Handle all logistics and administrative aspects of running the boarding facility
- Order all supplies (hay, feed, shavings, etc.) and needed equipment for entire facility
- Ensure that all boarder horses are healthy, regularly vaccinated and wormed
- Coordinate with farm caretaker to ensure the grounds and facilities are in working order

Must have extensive experience caring for Thoroughbred horses and/or experience at horse shows. Must have excellent references. Rare opportunity to help grow, what could be, a premiere training facility in Northern California.

Please E-mail or fax a letter and/or resume to:
